The issue raised in Docket # 257 will be addressed at the discovery conference scheduled to take place on Monday, September 20, 2021, at 3:00 p.m.

As a preliminary matter, the Court finds the defendants response (Docket # 262) is improperly opaque as to the production process, including issues such as the number of documents at issue, specifics on the method of review, and the date on which production will be completed. The defendants shall file a new letter by Friday, September 16, 2021, that gives detailed information on the status of the ESI collection, review and production.

SO ORDERED.
